THE *MAGIC* OF MILE HI GROUPS

No surprise -- Mile Hi Church Groups are comprised of joyous, engaged and spiritually-based individuals, couples, and families who love life and look for Divine expression in every travel experience. Group members often make lifelong bonds with one-another. Through a passenger photo directory, pre and post-cruise gatherings; and onboard activities including group dining opportunities and exclusive events, plus a full-day custom-designed group excursion in Croatia, there are abundant opportunities to make new and lasting friendships. In fact, many Mile Hi travelers have taken multiple group trips together because of the compelling spirit of the people participating. Please feel welcome to share information about this port-rich experience with family and friends. All are welcome!

OUR OCEANIA CRUISES SHIP, THE *RIVIERA*

Oceania Cruises is often described as “premium,” “luxurious” and “relaxed.” Their intimate ships cruise to exotic, “boutique” ports, and Oceania is known for its captivating “port-intensive, bucket-list” itineraries. Oceania guests, in general, have many shared interests in adventure, fine dining initiatives including plant-based cooking, and wellness. The mostly veranda (balcony) *Riviera*, built in 2012 (refurbished 2019), holds 1250 guests and 800 crew members and boasts some of the largest veranda staterooms at sea (average 282’). Ship amenities include multiple award-winning restaurants (open seating, no fee), the Aquamar Spa and Vitality Center (complimentary fitness classes), 24/7 room service, included sodas and specialty coffees and teas, free wi-fi, casino, and nightly entertainment. Oceania’s “Go Local” shore excursions are touted as ground-breaking, immersive, authentic and casual.

TRAVEL SAFETY UPDATE AS OF NOVEMBER 17, 2020

Mile Hi Church, Rautenstraus Travel, Inc., and Oceania Cruises agree that there are many unknowns in this moment for safe travel in April 2021, the original group sailing date, so “with an abundance of caution,” we have moved the group a full year out to 2022. As to new protocols for traveling in a post COVID-era, there are discussions of fogging rooms on the ship, buffet meals served to the passenger rather than ‘help-yourself,’ filling out a health questionnaire in advance, sailing with fewer passengers to create physical distancing, contactless menus, and the possibility of modified shore excursions TBD. Also, a dedicated Public Health officer will be staffed on each Oceania voyage, in addition to a medical doctor and team. Please consider securing travel insurance within two weeks of booking. For those passengers with insurance originally booked on the 2021 sailing, please contact Rautenstraus Travel to discuss.

3-NIGHT OPTIONAL PRE-CRUISE BARCELONA TOUR & POST-CRUISE VENICE STAYS

Many participants will be interested in extending their trip on land in Barcelona. Our exclusive 3-night pre-cruise Barcelona tour will include group sightseeing of must-see attractions, e.g. Gaudi’s stunning architecture at *La Sagrada Família* (pictured above), balanced with ample individual touring time; ground transportation from airport to hotel, orientation and special-focus tours and musical events as scheduled, and to ship; portage; three buffet breakfasts and additional meals TBA, plus lodging in a 4-star hotel near *La Rambla*, Barcelona’s famous pedestrian promenade.
